DISPLAY SCREEN EQUIPMENT COURSE

Presented by:

Dr PETER SLINGER BSc LLB PhD MIOSH MCIEH

Dr Slinger has 20 years experience working in the field of Health & Safety. He has worked as a Health and Safety Inspector for numerous authorities in the UK and has gained professional qualifications in legal and technical fields. Peter has also worked as a Senior University Lecturer in Health and Safety, training future Inspectors entering the profession. He now works as a Health and Safety Consultant and acts as an expert witness in legal cases.

Aim of the Course: To provide risk assessors with the skills needed to fulfil the requirements of the DSE Regulations.

Objectives:

- To provide a basic knowledge of Health and Safety regulations, enabling the carrying out of effective DSE assessments within office environments.
- To provide the practical skills required for conducting effective DSE assessments.

Methods used: PowerPoint presentations, videos and small group work.
